

We offer a 360-degree approach to insurance. We are there when you place insurance and when you need to recover.

be ready

Our proprietary process ensures that you have a personalized contingency plan including the necessary insurance. We prepare you so that we can begin working on your claim immediately should a disaster strike.

- ✓ Our team of professionals will place your insurance policy based on your needs.
- ✓ We develop a contingency plan for business and personal response to loss or damage.
- ✓ We catalog your assets, take photos and videos of your property and securely store the data.
- ✓ We help you select competent contractors and service providers that can effectively respond to your business or personal losses.
- ✓ We place you in the best position to receive the recovery you deserve.

We help our clients evaluate their coverage, document their assets and better prepare for losses caused by:

Hurricanes, Wind, Tornadoes & Windstorms
Construction Defect, Workmanship & Hidden Decay
Business Interruption, Time Element & Extra Expense
Pipe Bursts, Boiler & Other Explosions
Lightning, Hail, Rain, Ice & Snow
Flooding, Sewer Backup & Water
Mold, Fungus, Pollution & Other Infestations
Collapse, Earthquakes & Sinkholes
Fire, Smoke, Ash, Soot & Debris
Ordinance or Law
Loss of Rental Income
Burglary, Theft, Robbery & Vandalism
War, Terrorism or Piracy
Other Acts of Nature & Man
